

SAN MARINO HIGH SCHOOL ROBOTICS TEAM

The highly successful SMHS Robotics Team wants to add you to their group of fun and talented team members! We have just finished a very fun and successful season and are ready to work with you on the 2011 season!

Learn new skills!
Build, design, or
program a robot!
Make new friends!
Learn from JPL mentors!

*No previous experience needed.

We want students who are interested in any of the following areas:

- engineering
- electronics
- marketing/public relations
- graphic arts/ design
- computer programming
- finance/fundraising
- website design
- media arts/ film
- computer animation

Sign up for more information! You can also email us at firebirdrobotics@gmail.com or check out our website at www.team1160.com! We look forward to having you as part of our winning team. We are graciously mentored by top quality JPL engineers.

If you are interested in joining or just want more information, just fill in the blanks with your name, the grade you will be entering, and your email address below, and return this flyer back in your first day packet!

Name: _____ Grade _____ email _____

PARENTS: We need your help! If you or anyone you know can provide to our team engineering, supplies or machine shop aid, please put your name and email below.

Name: _____ email: _____

SMHS Firebird Robotics

Team 1160

2010-2011 School Year

At the minimum, building a robot and competing in competition costs about \$17,000 dollars. That money goes to the \$11,000 entrance fee, and a \$5000-\$6000 budget for equipment, tools, and specialized components. Because of these costs, we need your help to raise that money. All donations will be appreciated, but for donations above \$500, your name will be put on our team apparel!

Thank you in advance for your contribution!

Checks should be made out to **SMHS Robotics**
All donations are tax deductible

NAME: _____

(As you would like it to appear)

ADDRESS: _____

PHONE: _____

DONATION AMOUNT _____

STUDENT'S NAME _____

Please return this form along with your check in the First Day Packet.
