Our vision is that every child in the United States will be empowered to become an effective communicator, ethical individual, critical thinker, and leader in a democratic society. – The National Forensics League (NFL) Vision. www.nflonline.org

BECOME PART OF OUR TEAM

"More important than results and awards were the team bonding experiences we had as a team"- Oscar Wang, last year's team president. He placed 1st at the Berkeley Tournament, 2nd in the State Tournament, and 3rd place at the National Tournament.

Our director Matt Slimp and last year's Interp. Captain James Shechet, 1st place at Berkeley, top 30 in the Nation.

The 2010-11 team President Rachel Yang, 4th in State, top 17 in the Nation holding trophies with our Social Chair Celina Chow.

At the Novice Championship Tournament, finalists Keita Suzuki (above) and Thomas Jakway (below) took home 6th and 1st place, respectively, in their events.

Max Ibrahimzade, the 2010-11 Interp. Captain, 1st place at the Fall Varsity Tournament and Rookie of the Year.

Congratulations to us after the State Qualifier Tournament for our Sweepstakes award, among many others. 15 of us qualified and went to the California State Tournament last year. We took home two 2nd place trophies, a 4th and a 5th, a great accomplishment for our small school.

Our extremely successful novice team displaying their awards at the Novice Championship Tournament which was dominated by San Marino High School!

Some of our team members at the Tournament of Champions (TOC) in Chicago last year. Limited Prep. Captain Nabeel Zewail (the tall one) took home first place at this nationwide event. Oscar Wang (the short one) placed in the final round. The Tournament of Champions is only open to those who have done exceptionally well in previous tournaments. Our team attends every year.
