

VOLUNTEERS NEEDED AT SMHS HEALTHOFFICE 2010– 2011

This is a great opportunity to assist the students at San Marino High School, by volunteering to help staff the Health Office once or twice a month. We have 2 daily shifts: 8.15am – 11.15am and 11.15am – 2.15pm. The Health Office is located within the APO and there is always someone you can call on if you need further assistance or have a query.

No medical or nursing experience is necessary as there will be a Health Office orientation for all interested volunteers. Some of your duties could entail applying a band aid or placing an ice pack on a swollen finger. Often, students just need a quiet place to lie down or wait for a parent to come and pick them up.

Interested? Then print and return the bottom half of this form with your First Day Packet, email susanbermingham@sbcglobal.net or call Susan @ 626 395 7581.

*****PLEASE PRINT CLEARLY ALL CONTACT INFORMATION*****

I would like to volunteer in SMHS Health Office for a 3 hour shift _____ time(s) a month.

Circle the shift you prefer: 8.15am – 11.15pm or 11.15am – 2.15pm
