

# SMHS 2011 HOMECOMING FLOAT BUILDING

**\*\*\* ALL GRADE LEVELS NEED YOUR HELP! \*\*\***

The SMHS Homecoming Game & Parade has been a tradition since the 1960's! On the afternoon of the Game, class floats carrying students, parade down Huntington Drive generating Titan Spirit for the evening's Homecoming Game. The floats finish their route on the basketball courts west of Titan Stadium for public viewing.

Each class constructs a float for the parade. Students design and decorate their own float but they need your help to build it!

## ALL GRADE LEVEL float building begins Friday, Oct 7th, 2011

Parents are needed to help with the first weekend's construction phase.

Once construction is completed, the kids take it from there, decorating their own awesome creation.

## Float building schedules are as follows for ALL GRADE LEVELS:

Fri. 10-7-11 to Sun. 10-9-11 = 3-5-pm or TBD (parent construction)

Mon. 10-10-11 to Fri. 10-14-11 = every afternoon 3:15-5:15 pm (student building)

Mon. 10-15-11 to 10-27-11 = every evening 6:00-9:00 pm (student building)
