

FOR SENIORS ONLY

(Transcripts will not be sent out for college applications unless fee is paid)

Dear Parents of Seniors:

A one-time fee of ten dollars is being assessed for each senior. This fee will cover all transcripts required for the college application process. The per senior fee will enable us to continue to transmit electronically or via snail mail for colleges not yet able to receive the electronic transmission.

Kindly attach a separate check made out to SMHS to this form and return with your registration materials.

Thank you,

Mrs. Johnson
