Adult Conversational Class Fall Section
成人會話班課程

Want to learn conversational Chinese? Whether it's for cultural enrichment, travel, or business purposes, learning Chinese is easier than you think. Come join us in a small classroom setting and experience how Chinese can enrich your life!

This course is designed for beginners with little to no Chinese background. Emphasizing student interactions, the course will mainly focus on frequently used conversations, such as daily greetings, time and date, currency, introduction, shopping, and asking simple questions. Although speaking is the main focus of this course, some very basic Chinese characters will also be introduced.
