

## INSTRUCTIONS FOR FILLING OUT THIS CARD

Dear Parent/Guardian:

This card is to authorize your son/daughter to be released following an earthquake or other emergency requiring the dismissal of school. It only applies to a student's release following an emergency causing the dismissal of school. It does not replace the more limited "Emergency Card" also supplied in this registration packet.

**If your student is under the age of 18 years**, you may choose:

Option 1: We will release your student without any adult checking him/her out.

Option 2: We will release your student ONLY to those names that you have indicated in the blanks provided on the front of this card. It is important to LEGIBLY provide both names and phone numbers.

If either of these two options are chosen, there will be no additional parent contact at the time of the release.

If neither of these options are chosen, a student will be released only to his/her own parent or legal guardian unless the superintendent or his/her designee decides it is safer to dismiss school.

**If your students is over the age of 18 years**. Students 18 or over will be permitted to leave without parental permission. No parent contact will be made.

YOU MUST RETURN THIS CARD AT THE TIME OF REGISTRATION. It must be signed and dated by the parent or legal guardian. Please inform the APO as soon as possible of any subsequent changes in this information so that our records will be accurate if an emergency necessitating the closure of school occurs.
