**By the Way . . . Governor Brown Set to Deliver State of the State Address on Monday, January 31, 2011**

In an interesting twist, the *Sacramento Bee* is reporting that the Governor is poised to deliver the annual State of the State address on Monday, January 31-nearly a month after unveiling his 2011-12 State Budget Proposal. While the Governor has yet to announce this event, the *Bee* press notes the Governor will "likely use the stage to lobby for his Budget plan, including his bid to extend temporary taxes." Late last week, the Governor declared a fiscal emergency seeking immediate legislative action to address the state's Budget deficit.
