

# INSTRUCTIONAL MATERIALS DONATION

*Please make check payable to K. L. Carver Elementary School.*

We need your help! In an effort to meet the instructional needs at K. L. Carver Elementary School, we are requesting a donation of **\$125.00 per student.** This money will be used to purchase items such as core and supplemental textbooks, workbooks, and consumable materials such as copier paper, construction paper, pencils, paint, and homework binder reminders. Your tax-deductible contribution would be greatly appreciated. Even with the generous support our school receives from the San Marino Schools Foundation and the Carver PTA, we are still not able to fully support the costs of our instructional program. Much of the state funding has decreased and/or is very restricted in how money may be spent. K. L. Carver Elementary School continues to offer an outstanding educational program to our students. Please help us maintain our long tradition of excellence with your contribution for instructional materials.

We always appreciate and recognize voluntary donations from our parents and community members. Your generosity helps support our educational goals and programs and services for students. Please understand that any donations are truly voluntary and your student's ability to participate in a school activity is never conditioned on making a donation. All donations are optional; none are required.

Thank you.

Sincerely,  
Elizabeth Hollingsworth  
Principal
