

TEACHERS' WISH LIST DONATION

Please make check payable to Carver PTA.

Donations to the Teachers' Wish Lists for each grade level helps defray the teachers' out-of-pocket expenses for materials used by your child. Our teachers purchase supplemental materials that enhance the classroom curriculum such as books, magazine subscriptions, and math tiles. Over the years, parents have generously supported our teachers through this program helping them purchase supplies that they would otherwise provide for their classroom with personal funds. This donation is separate from the Instructional Materials Donation as these funds are used for the purchase of materials specific for each classroom grade unlike the Instructional Materials Donation which support the school as a whole. Suggested donations for each grade are as follows:

Kindergarten: **\$65.00**
First Grade: **\$40.00**
Second Grade: **\$40.00**
Third Grade: **\$25.00**
Fourth Grade: **\$25.00**
Fifth Grade: **\$40.00**
